ORDER RETURNING UNDOCKETED APPEAL TO EXAMINER

---

This application was electronically received at the Board of Patent Appeals and Interferences (BPAI) on April 8, 2006. A review of the application has revealed that the application is not ready for docketing as an appeal. Accordingly, the application is herewith being returned to the examiner. The matter requiring attention prior to docketing are identified below.

Application 09/601,222

An Examiner's Answer was mailed on January 19, 2006. However, the appeal conference is improper. Section 1208 of the Manual of Patent Examining Procedure (MPEP) (8<sup>th</sup> Ed., August 2001) states:

**APPEAL CONFERENCE**

An appeal conference is mandatory in all cases in which an acceptable brief (MPEP § 1206) has been filed. . . .

. . . .

. . . . If the examiner's answer does not contain the appropriate a indication that an appeal conference has been held (i.e., including the names of the conferees and identifying themselves as the conferees along with their initials), the Board should return the application directly to the appropriate Technology Center (TC) Director for corrective action. . . . This procedure applies to all examiner's answers received by the Board on or after November 1, 2000.

The Examiner's Answer mailed on January 19, 2006, is deficient in that there is no evidence that an appeals conference has been held.

Application 09/601,222

Accordingly, it is ORDERED that the application is return to  
the Examiner:

1) for taking corrective action regarding the appeal  
conference; and

2) for such further action as may be appropriate.
